### *The International Summer Conference*

After a long Covid-break there will be a LEP Summer Conference in 2022, after 40 years the last one in this way and at this place.

A final opportunity to experience this unique, intense and exciting week, combining vacation with personal development.

#### **The Theme: Celebrating Life**

Away from routines and duties of everyday life this week creates space for celebrating the gift of life. Especially after the long period of reduced possibilities in life, it's time to develop and see your full potential again. Through the contact with your life energy you experience the intensity of your liveliness and of your inherent resources. An exciting inspiration that can accompany you right into your everyday life. Knowing, that there is nothing granted and endless in life, we dedicate this week to the celebration of life. Interactive lectures and body oriented workshops offer a wide field of experiences.

### *The place:*

Titignano, an original village from the 17th century, idyllically situated on a hill in Umbria. It was carefully converted into a spacious property with pool and conference facilities. A perfect place to enjoy Italian culture in a relaxed atmosphere away from city life.

There are:

- Two or three bed accommodation (single rooms limited with extra charge on request).
- Meals with Umbrian and Tuscan specialties. Vegetarian meals are possible.

### *Actively involved are the following colleagues:*

**Widmantas Skutta**, LETTeacher (LET), Instructor Process Inquiry, Psychotherapist and Organizational Consultant, Germany

**Birgitta Ahlsell**,  
Life Energy Process/Psychotherapist, Groupelevel (Dansergia), Sweden

**Pia Brunner**,  
LEP Groupelevel (Acquasus Poolwork and Dansergia),  
Swimming and sport teacher, Germany.

**Helga Köhler**,
